

Children's Ukulele Parties!

From The U Team

Looking for something fun but a little different for your child's party which will get them learning a new skill too?

The U Team will come to your party armed with Ukuleles, big smiles and a host of fun musical activities to get party go'ers playing and singing a few fun songs within an hour.

The benefits of musical tuition cannot be underestimated and bring a whole host of extra skills besides musical fun including learning patience, coordination, self-expression, promoting maths skills and social skills.

The Ukulele is easy to learn, lightweight and versatile. You can strum and sing along with it, pick out tunes, play solo or in groups. The Ukulele gives a great head start for younger children wanting to learn guitar too.

It's not just children – adults can have Ukulele parties too! – Have fun with friends at home and kick start a new hobby.

One hour party session with loan Ukes and gift uke for Party Child -
£20/head – min 10 children

One hour party session with gift Uke for every child - £35/head – min 10 children.
