

## Ukulele Band Club!

**The newly formed 'U Team' is looking to form a trendy new Ukulele Band or Orchestra at your school.**

During Club sessions, individuals will receive tuition in strumming/singing, fingerpicking and playing instrumental via tabs.

We will also focus on playing as an ensemble so we are looking for Soprano, Concert, Tenor, Baritone and Bass Ukulele students players to train up to create an amazing band.

*For parents:- the benefits of musical tuition cannot be underestimated and bring a whole host of extra skills besides musical fun including learning patience, coordination, self-expression, promoting maths skills and social skills. Playing as an ensemble provides all the benefits learning to work as a team.*

We can provide demonstration ukuleles on first few sessions and advise on instrument purchase after that.

We'd love to hear from your school if this is something they would like to host as an After School Club.
